A pet insurance policy can help you plan for your pet's healthcare—and offset costs for routine care and unexpected illness or injury.

## So, how does pet insurance work?

Brought to you by Nationwide®

1

### Understand what you're buying

Know what is covered and what isn't—before you need it. Get a clear understanding of how reimbursements and deductibles work.

2

### Choose coverage

Do you need a policy for a dog, cat or avian or exotic pet\*?

\*Avian and Exotic Pet Plan is available by phone only.

3

### Pick a plan that works for you

Choose standalone medical coverage or add wellness coverage for even more protection. Premiums and annual deductibles vary by plan.

4

### Enroll pets young and healthy

Pre-existing conditions aren't covered by any pet insurer. Enroll pets when they're young and healthy to help ensure maximum coverage at a lower cost.

5

### Get reimbursed for vet visits

Pet insurance policies reimburse eligible veterinary expenses based on a percentage of treatment cost or an annual benefit schedule.
